## ABOUT US

Manasa Foundation is a non-profit, non-religious, Spiritual organisation founded by Guruji Krishnananda in 1988 to take The Saptarishis' Path to Spiritual seekers. The Path teaches the Science of Meditation, advanced techniques and New Age Principles as taught by the Rishis, which help us establish Stillness within us and sail through the present Shift in Consciousness.

Maharshi Amara (1919-1982) was a great Rishi who brought down the Science of Meditation from the ancient Rishis and taught them to suit the present times. He was aware of the approaching New Age in the 1930s and he heralded the same in 1974. He guided thousands and worked for the welfare of this world till his end.

Guruji Krishnananda is a direct disciple of Maharshi Amara. He has been teaching Meditation and guiding Spiritual aspirants of all ages since 1988 right from the initial stages to advanced stages of Samadhi. He has channelled an immense amount of knowledge from the Rishis, relevant to the present times that help us go through the Shift in Consciousness without suffering. He has recently established a Research Centre to channel and understand knowledge required for humanity to transit into the New Age.

Our books are mostly based on direct Experience and new Knowledge channelled by Guruji Krishnananda. They are not based on old or existing knowledge. These books are written in simple language without elaborations and exhaustive narrations to bring clarity to the subject.
